## OUR OBJECTIVES IN ESTABLISHING THE SIDDHALEPA AYURVEDA HOSPITAL

We provide patients with indigenous and ayurvedic medical treatments along with hospital facilities.

Our medications only contain pure, natural ingredients. We do not use artificial chemicals and Western medicines at all.

The Siddhalepa Ayurveda Hospital is dedicated to the memory of the late Mr. Hendrick de Silva Hettigoda, famous Astrologer and Ayurveda kidney specialist and Mrs. Hettigoda.

### OUT PATIENTS DEPARTMENT

Patients can receive treatment throughout the week, at any time, day or night.

### CONSULTATION OF SPECIALISTS

Specialists will be consulted on the patient's request or upon the doctor's recommendations.
